Roger Hurt, Assistant Administrator

GUIDELINES ON INSTALLATION
OF CONCRETE DRIVEWAYS IN GUADALUPE COUNTY

- ✓ Guadalupe County will allow the concrete to be no higher than one (1) inch above the County road.
- ✓ An 18" gap must be left between concrete driveway and the County road.
- ✓ No headwalls will be allowed.
- ✓ Guadalupe County requires at least five (5) to one (1) slopes on concrete culvert ends.
- ✓ A 24-hour notice is required for inspection of all concrete driveways before they are poured.
