All Lots shall be improved and used solely for single family residential use inclusive of a garage, fencing and such other improvements as are necessary or customarily incident to residential use. No Improvement may be constructed on any Lot which would unreasonably obstruct the view from other portions of the Property, and the positioning of all Improvements upon Lots within the Property is hereby expressly made subject to Architectural Committee review. The Architectural Committee may, but shall not be required to, prevent or allow the construction of a proposed Improvement based upon the effect it will have upon the view from any particular Lot. Rather, the Committee may consider the effect the Improvement will have on the Community as a whole, it being expressly understood that neither the Architectural Committee nor the members thereof shall be liable to any Owner, in monetary damages or otherwise, due to the construction of any Improvement within the Property or the creating thereby of an obstruction to the view from such Owner's Lot or Lots.

4.02 Building Height. No Improvement greater than twenty-eight (28) feet in height may be constructed on any Lot without the prior written approval of the Architectural Committee. For purposes of this paragraph, height shall be measured from the highest point on the Lot to the ridge line of the roof of the proposed Improvement.

4.03 Building Materials; Dwelling Size. All single family dwellings shall be of recognized standard construction quality, and shall be constructed of at least seventy-five percent (75%) masonry (excluding windows and doors) or other materials specifically approved in writing by the Architectural Committee. All single family dwellings shall contain not less than 2,000 square feet of enclosed living space, exclusive of porches (open or covered), decks, garages and carports; provided, however, that the Architectural Committee may reduce this requirement for particular Lots to not less than 1,800 square feet based upon the quality of construction and design of a proposed Improvement. Any such request for a reduction in the minimum square footage requirement below or less than 2,000 square feet shall be in writing and shall state the specific reasons therefor.

4.04 Garages. All dwellings constructed on the Property shall be built with an attached or detached garage sufficient to park not less than two (2) vehicles. No Owner may alter or maintain any alteration in his garage in any manner that will prevent the parking of two vehicles therein.

4.05 Construction in Place. All dwellings constructed on the Property shall be built in place on the Lot and the use of prefabricated materials shall be allowed only with the prior written approval of the Architectural Committee.

4.06 Set-back Requirements. No Improvement shall be located or erected nearer to any Lot line bordering a street right-of-way as indicated by the building set-back line shown on the Plat. Except as permitted by the Architectural Committee, or as shown on any plat filed of recorded. Minimum side yards will be established to maintain a minimum of ten (10) feet to any interior lot line, and minimum rear yards will be established to maintain a minimum distance of twenty-five (25) feet from any rear lot line. For purposes of these covenants, eaves, steps and open porches shall not be considered as part of any Improvement; provided, however, that this shall not be construed to allow any such structure to encroach upon another Lot. With respect to corner Lots, the Architectural Committee shall determine the facing direction of all structures, including garages and accessory buildings, and its decision upon such matters shall be final.

4.07 Maintenance Easement. A five (5) foot easement of necessity shall exist as to each Lot in the Property for the purpose of maintenance and repair of the adjoining Lots and structures by their respective owners. By acceptance of a deed to one or more of the above Lots, the Owner thereof covenants to grant a five (5) foot easement of necessity to the owner of each adjoining Lot whereby access shall be provided to the Owners of said adjoining Lots, their servants, agents or independent contractors for the purpose of maintaining, repairing or improving the property of said adjoining Lot Owners. The Owner utilizing such maintenance easement shall restore the area thereof to its previous condition and shall be responsible for all clean-up made necessary by such use.

The Association shall be a nonprofit corporation created for the purposes, charged with the duties, and vested with the powers prescribed by law or set forth in its Articles and Bylaws or in this Declaration. 5.02 Membership. Only the Owners shall be members of the Oasis Owners Association; provided, however, that no person shall be a Member by reason of ownership of any easement, right-of-way, mineral interest, mortgage or deed of trust. Each Owner shall automatically be a Member of the Association without the necessity of any further action on his part, and Association membership shall be appurtenant to and shall run with the Property interest ownership which qualifies the Owner thereof for membership. Membership may not be severed from, or in any way transferred, pledged, mortgaged or alienated except together with the title to the Property interest, ownership of which qualifies the Owner thereof for membership, and then only to the transferee of title to said Property interest. Any attempt to make a prohibited severance, transfer, pledge, mortgage or alienation shall be void.

(C) Common Ownership. Any Property interest, entitling the Owner(s) thereof to vote as herein provided, held jointly or in common by more than one (1) person shall require that the Owner(s) thereof designate, in writing, the individual person

or Owner who shall be entitled to cast such vote(s) and no other person shall be authorized to vote in behalf of such Property interest. A copy of such written designation shall be filed with the Board before any such vote may be cast, and upon the failure of the Owner thereof to file such designation, such votes shall neither be cast nor counted for any purpose whatsoever.

(D) Proxy Voting. Any Owner, including developer, may give a revocable written proxy to any person authorizing the latter to cast the Owner's votes on any matter. Such written proxy shall be in such form as may be prescribed in the Bylaws of the Association, but no such proxy shall be valid for a period greater than eleven (11) months.

(B) Quorum. The presence at any meeting, in person or by proxy, of Members entitled to vote at least a majority of the total votes outstanding (computed as provided in section 5.03 above) shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Members present, either in person or by proxy, may adjourn the meeting to a time not less than forty-eight (48) hours or more than thirty (30) days from the time set for the original meeting, at which adjourned meeting the quorum requirement shall be waived. Action may be taken by a vote of the majority of the votes present at such adjourned meeting.

(M) Subsidiaries. To create a subsidiary or other Association to perform the rights, powers, duties, obligations or functions which might prevent the obtaining of a tax exemption, if it shall ever be ruled or held that an exemption under the Internal Revenue Code is unavailable to the Association by this Declaration; or alternatively, the Association may retain the rights, powers, duties, obligations or functions which prevent the obtaining of the tax exemption and transfer some or all of its other rights, powers, duties, obligations and functions to such subsidiary or other Association.

(N) Exterior Maintenance. To enter on any Lot, whether improved or unimproved, and to repair, maintain, clean up and restore such Lot and the exterior of any Improvements erected thereon, in the event any Owner of any Lot or Improvement within the Property shall fail to maintain the premises and the Improvements situated thereon in a manner satisfactory to the Association. No such entry, repair, maintenance, or other action shall be taken pursuant to this paragraph until approval has been gained by a two-thirds (2/3) vote of the Board of the Association. Any costs or expenses incurred with such exterior maintenance or cleanup of any Lot shall be added to and become a part of the assessment to which such Lot is subject. The Board shall be authorized to add all such costs to the next regular billing of assessments for such Lot.

(O) Diseased Vegetation. To enter upon any part of the Property at any time to inspect for, prevent and control diseased trees and other plant life and insect infestation of trees and other plant life. The cost thereof applicable to privately owned property may be levied by the Association as a specific assessment against such property pursuant to Section 8.09 hereof.

ARTICLE VI

6.01 Use. Each owner, the members of his family who reside with him, each lessee of a Lot who resides on the Property and the members of his family who reside with him shall be entitled to use the Association Property subject to:

(B) The right of the Association to charge reasonable dues and user fees;

(C) The right of the Association to suspend the rights to the use of any property of the Association by any Member or lessee and their respective families, guests and invitees for any period during which any assessment against the Member's property remains past due or unpaid.

(E) Such rights to use Association Property as may have been granted by the Association or prior owners of property of the Association to others; and

(F) Such covenants, conditions and restrictions as may have been imposed by the Association or prior owners on property of the Association.

6.02 Damages. Each Member and lessee described above shall be liable to the Association for any damage to property of the Association which may be sustained by reason of the negligent or intentional misconduct of such person or of his family, guests or invitees. If the property, the ownership or leasing of which entitles the Owner or Lessee thereof to use Association Property, is owned or leased jointly or in common, the liability of all such joint or common Owners or lessees shall be joint and several. The amount of such damage may be assessed against the Owner's real and personal property on or within the Property, including the leasehold estate of any lessee, and may be collected as provided in Article VIII below for the collection of assessments.

6.03 Damage and Destruction. In case of destruction of or damage to Association Property by fire or other casualty, the available insurance proceeds shall be paid to the Association, which shall contract to repair or rebuild the Association Property so damaged. Should the insurance proceeds be insufficient to pay all of the costs of repairing or rebuilding the damage, the Association may levy a special assessment to make good any deficiency. If the Board determines not to rebuild any property so

destroyed or damaged, or to build facilities substantially different from those which were destroyed or damaged, it shall call a special meeting of the Members to consider such decision. If the Members, by three-fourths (3/4) of the votes cast at such meeting, elect to ratify such decision, the Board shall act accordingly; but if the Members do not by such percentage elect to ratify such decision, the Board shall proceed to repair or rebuild the damaged or destroyed facility with payment therefor to be made as set forth in this Section.

**ARTICLE VII  
ARCHITECTURAL COMMITTEE**

7.01 Membership of Committee. The Architectural Committee shall consist of not more than three (3) voting members, ("Voting Members") and such additional nonvoting members serving in an advisory capacity ("Advisory Members") as the Board deems appropriate. The following persons are hereby designated as the initial Voting Members of the Committee: Robert Wesson, John P. Vanderslice and Ricardo Cidale.

7.02 Action by Committee. Items presented to the Committee shall be decided by a majority vote of the Voting Members.

7.03 Advisory Members. The Voting Members may from time to time designate Advisory Members.

7.04 Term. Each member of the Committee shall hold office until such as he has resigned or has been removed or his successor has been appointed, as provided herein.

7.05 Developer's Rights of Appointment. The Developer or its successors or assigns shall have the right to appoint and remove all members of the Committee. The Developer may delegate this right to the Board by written instrument. Thereafter, the Board shall have the right to appoint and remove all members of the Committee.

7.06 Adoption of Rules. The Architectural Committee may adopt such procedural and substantive rules, not in conflict with this Declaration, as it may deem necessary or proper for the performance of its duties.

7.07 Review of Proposed Construction. Whenever in this Declaration or in any Supplemental Declaration the approval of the Architectural Committee is required, it shall have the right to consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts which, in its sole discretion, are relevant. Except as provided in Sections 9.06 and 9.07 below, prior to commencement of any construction of any Improvement on the Property or any portion thereof, the Plans and Specifications therefor shall be submitted to the Architectural Committee, and construction thereof may not commence unless and until the Committee has approved such Plans and Specifications in writing. The Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and perform

such other duties assigned to it by this Declaration or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Committee. The Committee shall review Plans and Specifications submitted for its review and such other information as it deems proper, including any information it may require relating to the question whether any proposed Improvement upon a Lot would unreasonably obstruct the view from other portions of the Property. Until receipt by the Committee of any information or document deemed necessary by the Committee, it may postpone review of any Plans and Specifications submitted for approval.

No Improvement shall be allowed upon any Lot which would unreasonably obstruct the view from any other portion of the Property and no Improvement shall be allowed on any Lot which is of such size or architectural design or involves the use of such landscaping, color schemes, exterior finishes and materials and similar features as to be incompatible with planned residential development of the Property. The Committee shall have the authority to disapprove any proposed Improvement based upon the restrictions set forth in the preceding sentence and the decision of the Committee shall be final and binding so long as it is made in good faith. The Committee shall not be responsible for reviewing any proposed Improvement, nor shall its approval of any Plans or Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes.

7.08 Actions of the Committee. The Committee may, by resolution, unanimously adopted in writing, designate one or two of its members or an agent acting on its behalf to take any action or perform any duties for and on behalf of the Committee. In the absence of any such designation, the vote of a majority of all the members of the Committee taken without a meeting, shall constitute an act of the Committee.

7.09 No Waiver of Future Approvals. The approval or consent of the Committee to any Plans or Specifications for any work done or proposed or in connection with any other matter requiring the approval or consent of the Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications, or other matter whatever, subsequently or additionally submitted for approval or consent by the same or a different person.

7.10 Work in Progress. The Committee, at its option, may inspect all work in progress to insure compliance with approved Plans and Specifications.

7.11 Nonliability of Committee Members. Neither the Committee, nor any member thereof, nor the Board nor any member thereof, shall be liable to the Association or to any Owner or to any other person for any loss, damage or injury arising out of their being in any way connected with the performance of the Committee's or the Board's respective duties under this Declaration unless due to the willful misconduct or bad faith of the Committee or its member or the Board or its member, as the case may be. Neither the Committee nor the members thereof shall be liable to any Owner due to the construction of any Improvement within the Property or the creation thereby of an obstruction to the

view from such Owner's Lot or Lots.

7.12 Address. Plans and Specifications shall be submitted to the Committee in care of 12885 Research Blvd., #208, Austin, TX, 78750, or such other address as may be designated from time to time.

**ARTICLE VIII  
FUNDS AND ASSEMENTS**

8.01 Lien and Personal Obligation of Assignments. Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

(A) Regular assessments or charges; and

(B) Special assessments for capital Improvements, such assessments to be established and collected as hereinafter provided.

In addition to the foregoing and where applicable, each such Owner is further deemed to covenant and agree to pay the Association any assessment benefiting a specific area owned by such Owner as provided in Section 8.09 below. The regular and special assessments, together with interest, costs and reasonable attorney's fees, shall to the full extent permitted by law, be a charge on the land, and the payment thereof shall be secured by a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at time the assessment fell due.

8.02 Purpose of Assessments. The assessments levied by the Association shall be used to maintain, preserve and operate the Association Property for the benefit of the Members, and to carry out the powers, duties, and functions of the Association as set forth in this Declaration. Such purposes shall also include, but not be limited to, providing utility services to the Association Property, paying ad valorem taxes thereon, and maintaining and preserving said property as well as for the creation of reasonable reserves for future maintenance, preservation, operation and/or capital improvements or expansion of said Property.

8.03 Property Subject to Assessment. The Association shall levy one (1) assessment against each platted Lot, whether or not improved.

8.04 Exempt Property. No assessment shall be levied against The Developer's platted, unsold Lots, or any other property, whether or not platted or otherwise improved, held or owned by the Developer. All Recreation and Open Space shall be exempt from the payment of any assessments levied by the Association, regular or special.

8.05 Assessments Prorated. When the obligation to pay an assessment first arises after the commencement of the year or other period for which the assessment was levied, the assessment shall be prorated as of the date when said obligation first arose, in proportion to the amount of the assessment year or other period remaining after said date.

8.06 Maintenance Fund. The Board shall establish a fund (the "Maintenance Fund") into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under this Declaration. The funds of the Association must be used solely for purposes related to the areas and improvements owned by or leased to the Association or subject to the provisions of these restrictions for maintenance or operation by the Association or otherwise for purposes authorized by this Declaration, and as it may from time to time be amended. To the extent compatible with current operating needs, excess funds of the Association shall be maintained in interest-bearing accounts or securities.

8.07 Regular Annual Assessments. Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under these restrictions, including a reasonable provision for contingencies and appropriate replacement reserves. Except in the case of special assessments as provided for herein, uniform and equal assessments sufficient to pay such estimated expenses shall then be levied, subject to the provisions of election 8.10 herein. If the sums collected prove inadequate for any reason, including nonpayment of any individual assessment, the Association may, at any time, and from time to time, levy further assessments in the same manner as provided herein. All regular assessments shall be due and payable to the Association during the fiscal year in one (1) annual installment on or before the first day of January, or in such manner as the Board, in its sole and absolute discretion, may designate.

8.08 Special Assessments. In addition to the regular annual assessments provided for above in Section 8.07, the Board may levy in any assessment year special assessments applicable to that year only for the purpose of defraying, in whole or part, the cost of construction, reconstruction, repair or replacement of a capital improvement upon any common area, including fixtures and personal property related thereto.

8.09 Assessments Benefiting Specific Areas. The Association shall also have authority to levy assessments against specific local areas and Improvements, which assessments shall be expended for the benefit of the Property so assessed. The assessments levied under this section shall be levied in proportion to the benefits conferred or to be conferred, as determined by the Board, and therefore, the amount levied against each parcel of land or improvement need not be equal. Any such assessment shall constitute a lien on the property so assessed and such liens shall be enforced in the same manner and to the same extent as provided in this Article.

8.10 Collection of Regular Assessments. The initial annual assessment is hereby established by the Developer in the sum of \$250 (two hundred fifty dollars) per Lot, and shall be due and payable beginning January 1, 2007. The Board shall thereafter fix the

amount of the regular annual assessments against each Lot at least thirty (30) days in advance of each January 1, and shall fix the date such amounts shall become due. From and after January 1, 2008, the regular annual assessments may be increased each year not more than ten (10%) percent above the regular annual assessment for the previous year without approval of the membership entitled to cast two-thirds (2/3) of the total votes outstanding at a meeting duly called for that purpose. Notice of assessments shall be sent to every Owner subject thereto. The Association shall, on demand and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether the assessment against a specific Lot has been paid.

8.11 Nonpayment, Liens, Remedies of the Association. Any assessment not paid within thirty days after the due date shall be deemed in default. The amount of any such assessment, whether regular or special, assessed against any property, plus interest on such assessment at such lawful rate as the Board may designate from time to time, and the costs of collecting the same, including reasonable attorney quote s fees, shall be a lien on such Lot and the Improvements thereon, as the case may be. Such liens shall be prior to any declaration of homestead. The Association may (a) bring an action at law against the Owner personally obligated to pay the same or (b) foreclose said lien against the Lot, or (c) both. No Owner may waive or otherwise escape liability for any assessment by nonuse of Association Property, or any other common area, or by the abandonment of any Lot. A certificate executed and acknowledged by any two (2) members of the Board stating the indebtedness secured by such lien shall be conclusive upon the Association as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner upon request and for a reasonable charge.

8.12 Mortgage Protection. Notwithstanding any other provision of these restrictions, no lien created under this Article VIII or under any other article of these restrictions, nor any lien arising by reason of any breach of the restrictions, nor the enforcement of any provision of these restrictions or of any Supplemental Declaration, shall defeat or render invalid the rights of the Beneficiary under any recorded mortgage or deed of trust of first and senior priority now or hereafter made in good faith and for value. However, after the foreclosure of any such first mortgage or deed of trust or after conveyance in lieu of foreclosure, such Lot shall remain subject to these restrictions, and shall thereafter be liable for all regular and special assessments levied by the Association.

8.13 Subordination. The lien for assessments provided for herein shall be substituted to the lien of any first mortgage. Sale or transfer for any property subject to unpaid assessments shall not affect the assessment lien. However, the sale or transfer of any property subject to assessment pursuant to mortgage foreclosure, or any proceeding in lieu thereof, shall extinguish the lien as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such property subject to assessment from liability for any assessments thereafter becoming due or from the lien thereof.

8.14 The Association shall maintain books and records of account with respect to the funds and assessments. Such books and records shall at all times, during reasonable

business hours, be subject to inspection by any Member or Declaration.

**ARTICLE IX

9.08 Assignment of DECLARANT. 9.09 Enforcement and Nonwaiver.

Such right of enforcement shall include both damages for, and injunctive relief against, the breach of any such provision.

(B) Nonwaiver. The failure to enforce any provision of the Oasis Restrictions at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of said restrictions.

order to enforce any right or effect compliance with this Declaration.
